THE INTERNATIONAL REGISTRATION OF MARKS**

WARNING

The mark to which the attached international registration certificate relates will be published in the *WIPO Gazette of International Marks* by the International Bureau of WIPO. It is recalled that no fee is payable for such publication over and above those already paid for the international registration itself.

We warn the owners of international registrations against the activities of certain private bodies which, for a charge, offer to publish their marks, doing so in a manner and in terms that suggest that such publication is a necessary part of the procedure provided for in the Madrid Agreement and Protocol. It is however entirely unnecessary, and without any legal effect for the purposes of these two international treaties.
